Note: the nutritional facts provides values without rounding so that customers can obtain exact information if necessary to calculate their formulations

SHELF LIFE

The product's shelf life is 24 months from the date of manufacture, provided it is stored in the indicated conditions: unopened original packaging, in a covered, dry and ventilated location.

PACKAGING AND SHIPPING

The product is packed in polyethylene bags (primary) and barrels with a net weight of 25 kg. The product must be kept in a dry, well-ventilated, covered location, and away from products with strong odors. The product/load must be labeled and accompanied by an analysis certificate, containing the lot number, manufacturing date, shelf life, and analysis results.

ADDITIONAL INFORMATION

IRRADIATION STATEMENT

We declare that the product PA5065 Guarana Dry Extract 10% Natural Caffeine is not irradiated at any stage of its processing and final product
